## Arriving at the Dungeon

If you have booked tickets in advance, go to the pre-booked tickets entrance and make yourself known to the door staff. They will give you priority entrance ahead of the main queue, but please note you may still have to queue for a short time before your tour begins. If you haven't pre-booked, you can still buy tickets on the day, but will need to go to the main entrance and you will not receive priority entrance.

## Left luggage facilities

Sorry, but for security reasons there are no left luggage facilities at the Blackpool Tower Dungeon.
