Groups get out more!

We want you to make the most of your group day out, so we've put together a sheet of helpful information to ensure everything goes as smoothly as possible.

Arrival

To keep things nice and easy, we recommend that the group leader keeps all the group's tickets and reports to the reception desk on arrival to check-in, while other group members wait in the courtyard

Baby talk

The only area not accessible with pushchairs and baby buggies is the auditorium, but there is a buggy park to the right after going through admissions. You'll also find baby changing facilities in the disabled toilet.

Disabled access

We want everyone to enjoy their Group Fun Day to the full and we welcome guests with disabilities. The centre is wheelchair accessible to all areas except the auditorium/ocean tank. But you won't miss out on this tank with our downstairs viewing panes and underwater tunnel.

Dogs

Only registered assistance dogs are allowed into the centre.

Eating and drinking

Watching the sea creatures being fed can make you pretty hungry, too, so you can relax, refresh and refuel at the cafe or grab a snack from the vending machines.

Retail therapy

Great gifts, souvenirs and SEA LIFE inspired goodies are available from the gift shop – so be sure to allow time for a little browsing and buying.
