Arrival

To keep things nice and easy, we recommend that the group leader keeps all the group's tickets and reports to the reception desk on arrival to check-in, while other group members wait at the side of the entrance lobby

Baby talk

There is a buggy park at the entrance to the site for you to place your pushchairs and baby buggies during your visit. There are a stairs around the site which may cause problems for pushchairs and baby buggies and you'll also find baby changing facilities in the toilets.

Disabled access

We want everyone to enjoy their Group Fun Day to the full and we welcome guests with disabilities. We can accommodate manual wheelchair users however we would not recommend motorised scooters. There is an access platform lift upstairs to the Turtle Sanctuary and the restaurant.

Dogs

Only registered assistance dogs are allowed into the centre.

Eating and drinking

Watching the sea creatures being fed can make you pretty hungry, too, so you can relax, refresh and refuel in the restaurant or grab a snack from the refreshment kiosks.

Retail therapy

Great gifts, souvenirs and SEA LIFE inspired goodies are available from the gift shop – so be sure to allow time for a little browsing and buying.
